WATAUGA HIGH SCHOOL

BOONE, NORTH CAROLINA

Phillip Ginn
Business Manager

From the very first moment

all was different.

The freedom we enjoyed outside was gone.

We left our world of summer —

fun

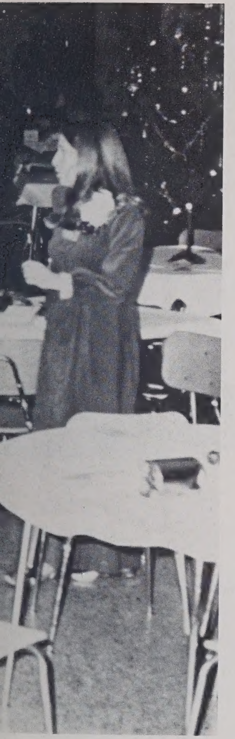
sun

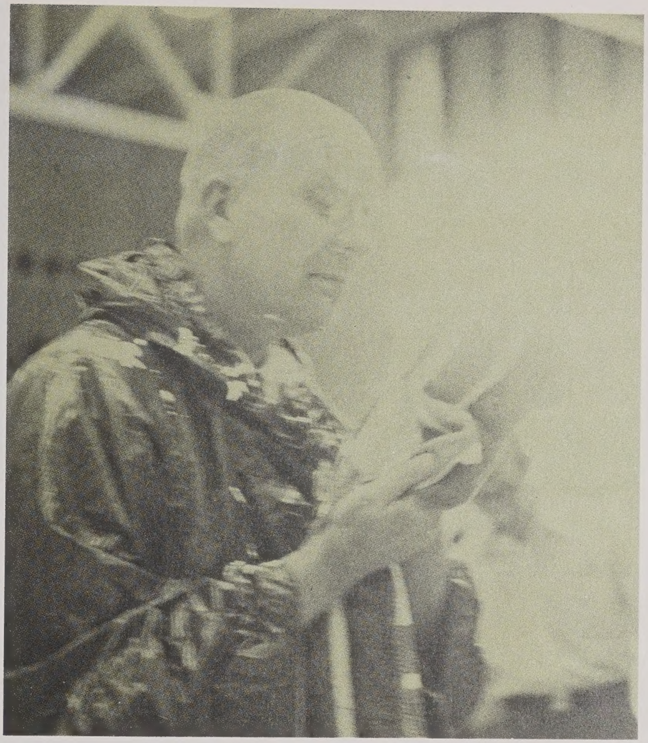
friends

parties

and now all we had

was the new environment of learning.





The first day was

for feeling our way around

and becoming familiar with

strange faces

bewildering stares

weird smiles

So much to learn and to adjust to.

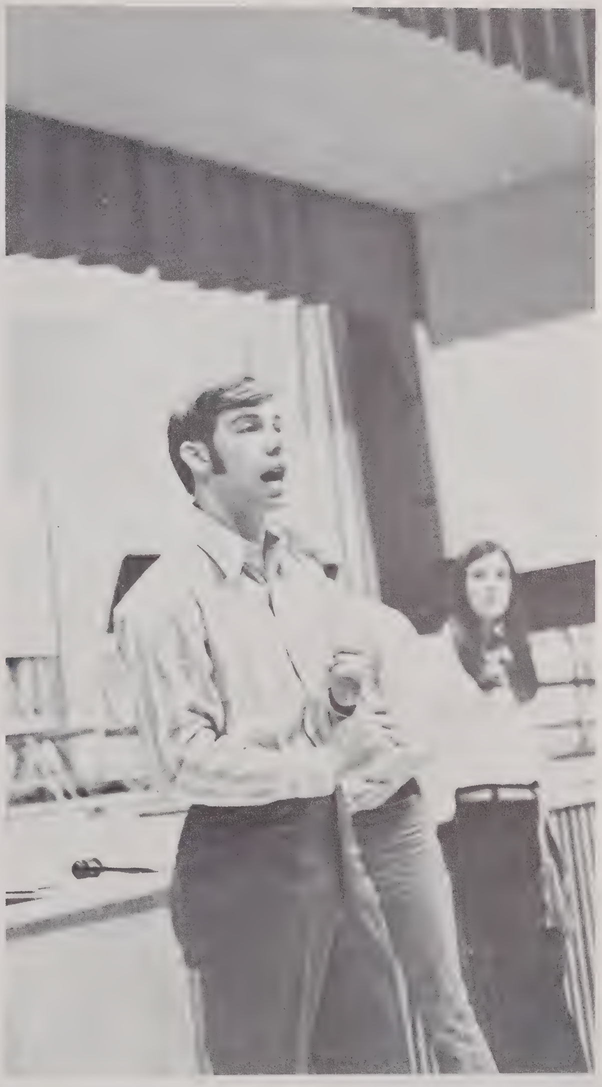
FURNITU



As the days grew shorter and cooler
the novelty wore off and we
settled into a dull routine.
We learned who we could depend on
and who to avoid.
We discovered about classes —
the select few we liked
the ones that were hellacious
the teachers who cared,
the apathetic,
the absent minded.
Fridays came slowly.
Football season —
pep rallies
hot chocolate and
a lot of sweat.

Weekends were too short.
We took tests
We wrote themes
We read books.
Some prepared for the future, but
most sat back and waited.
As the year passed,
We elected queens
We attended dances
then came exams.
The middle of the year —
Time passed so slowly
We waited impatiently
for something different
something to make it all worth it.

Then it happened!

snow days snowball fights

skiing skating

sledding slush

We perked up, then

The snow and cold became monotonous

and soon, we hated it.

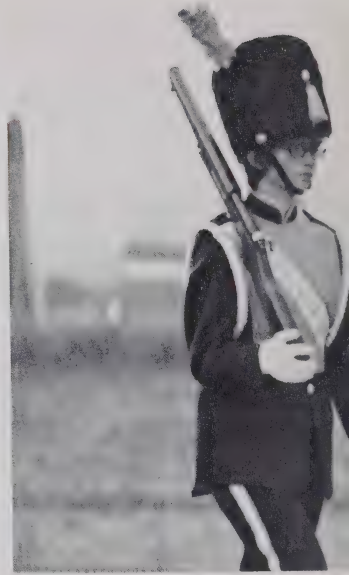
We wanted warmer weather

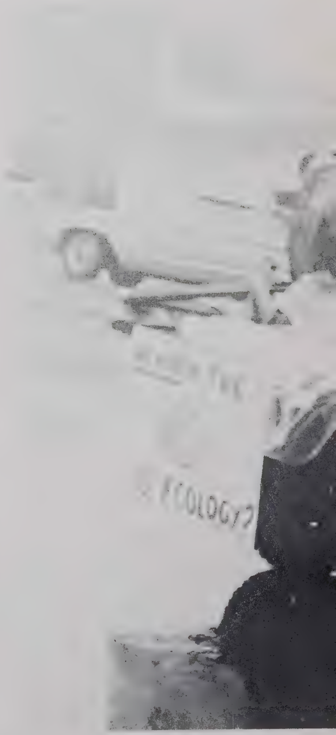
and summer vacation.

We suffered through each day

and it became

a great pain to continue.





ECOLOGY?

Then one day, spring —

we felt the warmth

we walked barefoot on the grass

made out on the grass

freaked out on the grass.

The sun felt so fine!

Days grew longer

We forced ourselves to go to school.

Some graduated

while others sat around and resigned
themselves to more years of the same.

But until then, three months

FREEDOM.

Dr. Herbert Wey.

BOARD OF EDUCATION

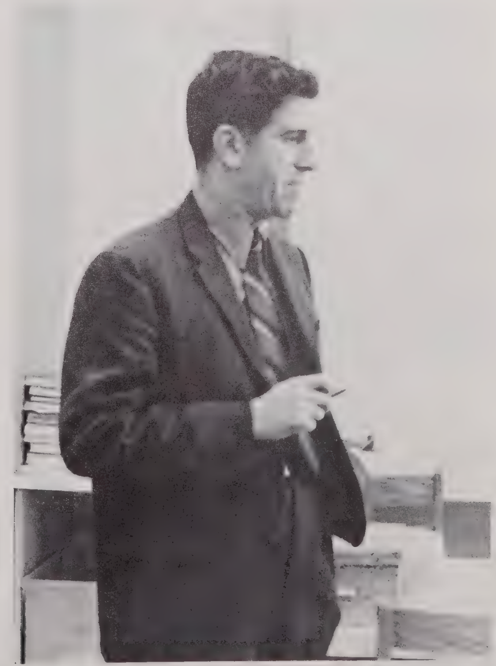
Dr. Herbert Wey, president of Appalachian State University, coordinated the affairs between the University and the high school. Because the high school served as a laboratory school for the University, many graduate assistants, student teachers, and participators taught and observed classes at the school. Dr. Swanson Richards, superintendent of schools, kept everybody in suspense on his decisions about school on snowy days. The Board of Education made a decision that no snow days would be made up on Saturdays and it appeared to some people that they wanted to see how long the 1970-71 school year could last.

The Board Of Education — Hugh Hagaman, Edsel Cook, Joe Hartley, John Hollar, James Marsh, Dr. Swanson Richards.

Dr. N. A. Miller, principal.

DR. MILLER ATTENDS FIDDLER'S CONVENTION

Mr. Carl Fidler, assistant principal.



The two men who were in full control, Dr. Miller and Mr. Fidler, spent some days chasing after wandering underclassmen, reminding seniors on contract that they were still allowed to attend classes, and other seniors that they had blown their contracts, reading excuses that might have been written by parents, and checking to see that the liberal dress code was followed. From the safety of their offices, they informed students of daily happenings and special events. To most students, Dr. Miller's most important duty was the handing out of diplomas.

OFFICE STAFF

The secretaries kept the office going during times when the good Doctor and Mr. Fidler were preoccupied elsewhere. They kept absent sheets, handled money matters, issued tardy and absent slips, assisted students in checking out, and kept things going smoothly. The school nurse, Mrs. Harrill, had the difficult job of distinguishing between students who were really sick and ones who needed a last minute excuse to miss a test that they were unprepared for.

LIBRARIANS

Librarians spent the days patrolling the library and settling many heated disputes among students — such as:

"Was the South the Union?"
"Where have all the reserve books gone?"
"What! Installment plan for overdue books?"
"Is **Playboy** at the desk?"

Mrs. Randall and Mrs. Heaton also interrogated students —

"Are you two entertaining each other?"
"What were you young 'gentlemen' discussing?"
"Did you have a nice nap?"

Mrs. Lera Randall and Mrs. Myrna Heaton

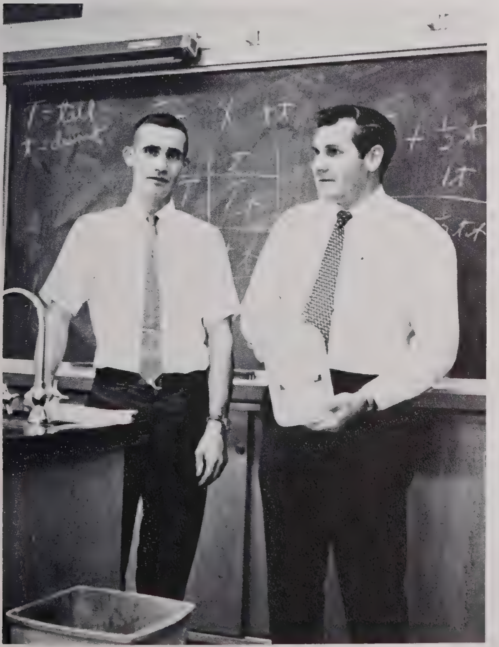
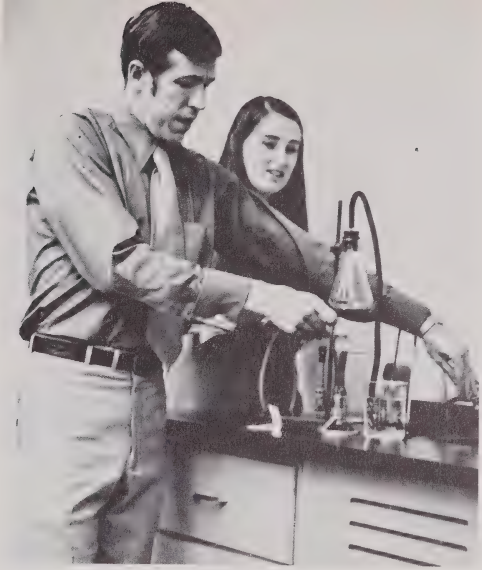
Mr. William Edmisten and Mr. Andy Reese.





Mrs. Patti Blanton and Mr. Louis Coffey.

SCIENCE

Experiments in the science department were never kept top secret. Odors lingered in the halls for hours afterwards. Mr. Reese's room (alias Holly Farms) reeked with the smell of chickens. This, combined with the smells of formaldehyde and singed hair, added to the pollution problem. Unsuspecting students were in danger of swiftly accelerating projections (falling marbles).

DRIVER EDUCATION

Mrs. Nancy Pennick and Mr. Bobby McConnell.

DRIVERS EDUCATION

Friday at 9:56 A.M., an APB went out for cars 1, 2, and 3 from the Boone force, and cars 1, and 2 from the Blowing Rock force to report to the county office parking lot. Upon arrival, it was learned from eye-witnesses that car A, a La Sabre driven by one unidentified student and car B, another La Sabre driven by another unidentified student crashed and burned. The joint forces of Blowing Rock and Boone were able to piece together the puzzle of the accident exhibiting astonishing powers of deductive reasoning. It was learned that while car A was filling up with gas, car B was speeding up the hill to the tanks. The policemen filled out a report with the facts, given, no charges were filed, the afore mentioned students were severely reprimanded, and the case went down in the annals of crime as disastrous.

CAFETERIA STAFF AND JANITORS

To whom it may concern:

This is to inform you that an emergency meeting of the Janitors and Un-Integrated Cafeteria workers Extravaganza for a Revolutionary Society (commonly known as JUICERS) was called. It was learned that because of subversive articles appearing in the May 1st issue of the **Black Widow** publication, this has been permanently discontinued. Projects to be considered in the near future are administering the electric PST test and rap sessions led by Spiro Fonda.

The best side of the team.

The Pioneers marked the season this year by being the first high school in North Carolina to play on the artificial "poly-turf" in Conrad Staduim. While the laying of the turf was being completed in the stadium, the team was forced to play most of their games away from home but came through the season with a good record of six wins, three losses, and one tie.

As well as providing an outlet for athletic energies, football games were entertaining for spectators. Sports fans followed the team and were filled with spirit boosted by the cheerleaders' efforts. The fans looked on the game with pride as the team fought hard behind their all-conference leaders, Jerry Harmon and Danny Trivette. The fans felt the anxieties of a tight situation as well as the relief of a good play. After the games they left either depressed by defeats or elated by victories.

The long and hard hours of practice proved successful in making the Pioneers the winning team of the Northwestern Conference. The team was seated in the number 2 position by the flip of a coin against Marion High School. Joe Greene and Joe Grimes were named to the All-Conference team. Greene was also named Player of the Conference.

The Lady Pioneers filled the season with many hours of hard work and fun. Their coach, Miss Asbel, brought many new ideas and techniques to the team. For the third time in the school's history, the girls competed in the Northwestern Conference tournament. The co-captains, Jimmie Ann Cole and Rachael Oakes, led the team throughout the season and spirited fans backed them away as well as at home.

Good evening sports fans. Tonight we have with us Coach Maudlin of the J.V. team. The J.V. basketball team had an outstanding record this season. According to Coach Maudlin, the J.V. basketball program prepares the varsities of the future. If this year's J.V.'s are any indication, next year's varsity will win the conference tournament and go on to the state tournament.

WHS wrestling team had an almost perfect season this year as they finished the season with an 11-1 win-loss record. Pioneers traveled to Boyden High School at Salisbury and competed in the Western North Carolina High School Activities Association Tournament in which they finished first place.

The Watauga High Golf Team for the 1970-71 season had a fair season with many 2nd's & 3rd's. Practice for the Pioneers was very limited this year because of the late date in which the Boone Golf Courses opened. Also, a handicap to their practice was the unfavorable weather conditions. Several golfers will be returning next year to work for a better 1971-72 season.

BASEBALL

The Pioneer Baseball team started the 1970-71 season with 3 wins over Lees McRae, Valdese, and Newton. They managed to bring home only one victory in the next six games, that one over Wilkes Central. The Pioneers, coached by Boyden Atwood, were led by top hitters Lee DeBell, Stan Atwood, and Butch Triplett. The team ended the season with a .311 batting average. Stan Atwood was given the honor of being named an All-Conference Player.

The beginning of the end

Pressured by teachers, by parents, by ambitions,
we applied
we planned
we were FRANTIC.
And this done, we worried
we wondered
we sank ——————————we became apathetic,
we settled down to the serious business of
raising hell
marking time.
High school was a bummer —
Graduation was light years away —
Summer only existed in the past.
We were fed up. We wanted out.
And so, by mid January, the countdown began
80 days became 70 then 60 but —
TOO SLOWLY
At last we were 18! Legal!
wemadeitfreakedoutdopeyellowsubvotebeerantlershappiness
The slow moving days of winter moved faster
and 24 hours were too few.
Graduation
We made it
We were out
The beach
The first day out —

The beginning of the rest of our lives.

UNDERCLASSMEN

Being an underclassman began with
confusion
fear
and a little regret.
It was an effort to get into things—
up in the mornings
the routine of classes
homework.
The first flunking test, like a virus,
spread to other teachers
and grew to epidemic proportions.
Until a student's entire existence was
a shapeless, unsensitive
BLOB.
Weekends ——————— the only relief
the games pajama parties (co-ed)
any excuse to get out.
The days faded into weeks
the weeks merged into months of problems.
The months blended into three wasted years,
as students dreamed of
6.5 hours of ping pong every day.

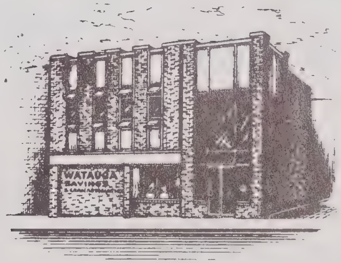
106 WEST MAIN STREET • BOONE, NORTH CAROLINA 28607



Serving Watauga County Since 1921

Building for your future

The Watauga Savings and Loan Association has had a part in the growth of this area since 1921. We have noted with pride the construction and development of Watauga High School.

Quality education is much more important than it was a few years ago. The administration and faculty along with the students have proven in one year that Watauga is the type of educational institution which is needed in this changing world of today.

The people of Watauga Savings and Loan Association also feel very strongly about quality. We require quality in all the homes we finance. We offer the best rates available on your savings. Put these together and you have a sound financial institution.
